The History of the Republic of the United States of America, from 1776 to 1876, by James M. Smith. This book is a comprehensive history of the United States, covering the period from the Declaration of Independence in 1776 to the end of the Reconstruction era in 1876. It details the political, social, and economic developments of the nation, including the struggles for independence, the formation of the federal government, the expansion of territory, and the Civil War. The book is written in a clear and concise style, making it accessible to a wide range of readers. It is a valuable resource for anyone interested in the history of the United States.
